Our Term 1 Journey

A Blessed Beginning

Principal's Message

Gratefully, we began this year with hearts full of gratitude and hope for what lies ahead. Term 1 has truly been a blessed beginning for us, marked by enthusiasm, unity and a shared commitment to excellence. It has been inspiring to witness our learners return with such eagerness and readiness to learn. From the joyful energy of the first day which was carried onto our Annual Sports Day, to the resilience shown during Ramadan.

This was truly the highlight of this term, with the arrival of the blessed month of Ramadan. With it came opportunities for reflection, worship and spiritual growth. Our learners were not only taught the significance of Ramadan, but experienced it, through our shared iftar programs, acts of generosity and the beauty of standing together in prayer. These are the moments that shape hearts and nurture a deep, lasting connection with our Lord.

Also our sincere appreciation to our newly appointed and dedicated educators, supportive parents and hardworking learners. Your collective efforts continue to uphold the vision and mission of our school highlighted below.

The progress of initiatives such as the Water Well Project further reflects the compassion and unity within our community—may the Almighty reward this sadaqah jariyah (perpetual charity) for all involved.

As we look ahead, we remain committed to continuous growth, academically, spiritually and socially by building on the strong foundations of the first term, trusting in the Almighty's guidance every step of the way.

Jazakallahu Khayran

I. Bismillah (Moulana)

OUR VISION
Educating tomorrow's
leaders in every
field, with a sound
Islamic upbringing

OUR MISSION

To provide learners with
excellent Islamic & Secular
Education as well as
extracurricular activities in a
safe environment

Highlights & Achievements

14 January 2026

First day of the new term was filled with excitement, smiles and a warm sense of togetherness. Learners returned eager to reconnect with friends, meet their educators and begin a new journey of learning and growth.

31 January 2026

Our Sports Day was filled with excitement, energy and great fun for everyone! Even though it was storming just a few hours before, the skies cleared and we ended up having an amazing day, Alhamdulillah. Everyone came together to enjoy friendly competition, teamwork and laughter. It was a wonderful opportunity to build school spirit and create lasting memories.

17 February 2026

Visit to the Florida Library for Our Foundation Phase

Ramadan 1447 / 2026

We welcomed the blessed month of Ramadan by raising awareness among our learners about its significance.

The Foundation Phase enjoyed a short program and received Iftaar packs, while in the evening, our Intersen Phase joined together for Iftaar, concluding the day with Taraweeh prayers. Alhamdulillah, it was a meaningful and joyous Ramadan.

Eid Day Dress Up

Water Well Project

Alhamdulillah, the project is progressing well, with most of the water wells already set up. Shukran to everyone who has contributed. We will share more detailed updates with our FIS community soon, Insha-Allah.
