

REFLECTIONS AND DU'AS FROM THE PRINCIPAL'S DESK

MOULANA IBRAHIM BISMILLAH

As we reach the midpoint of our 2026 educational journey, I am sincerely grateful to the Almighty for making all our achievements possible. While we have achieved much in this term, I believe that the coming two will too be as fruitful as the previous, if not more. At the end of the newsletter there are some important dates which should be diarized.

The midyear, is a pivotal point in the year as it gives us a clearer indication on our learners achievements and the challenges they may have in mastering their individual subjects and spaces. This is where the parents' consultation is vital, so that these conversations and plans can be forged in moving forward together. This as I believe that much can be achieved when educators, learners and parents all work together to achieve a common goal.

May our learners take a well deserved break and continue implementing all that has been learnt, via Qur'an, Salaah and the practical periods.

World Book Day - Creatively Celebrated

On 23 April, with great enthusiasm and a shared love for reading, our educators entertained learners with short plays across the grades, highlighting the importance and joy of books.

Learners also showcased their talents by reading poems and participating in an exciting in-house competition. As part of the competition, learners presented their favourite books, demonstrating creativity and a passion for literature, with prizes awarded to the winners. The day was a wonderful celebration of reading, learning and inspiring our learners to continue exploring the world through books.

FIS Annual Speech Contest,

The 24th April saw our learners once again develop their communication and speaking skills while building their confidence. Learners delivered thought provoking speeches, showcasing their preparation, creativity and courage. The contest served as a platform to identify and prepare representatives for the AMS Speech Contest. We are proud of all participants and especially congratulate our school representatives: Aleyyah Mahomed (Grade 1), Irshaad Makada (Grade 3), Hafsa Milanzi (Grade 5) and Mishka Shellys (Grade 7). Their representation and participation for our school reflects our commitment to nurturing confident and articulate young leaders.

Practical Hajj Journey

On Thursday, 21 May, learners experienced an interactive Practical Hajj Journey, learning about the key rites and landmarks of Hajj through a hands-on experience. May Allah grant them the opportunity to perform Hajj one day. Aameen.

The Journey of Hajj

— WE REMEMBER. WE RESIST. WE HOPE. —
NAKBA DAY
AWARENESS & SOLIDARITY

FRIDAY
15 MAY 2026

Nakba Day was observed to create awareness, honour remembrance and reflect on the resilience and struggles of the Palestinian people.

TOGETHER IN REMEMBRANCE.
TOGETHER FOR JUSTICE.
TOGETHER FOR PEACE.

This initiative aims to educate learners about history, humanity, remembrance, and peace.

“From generation to generation, we remember.”
